

## AN INVITATION TO THE VISIONARY SOCIETY

I would like to personally invite you to join the EQUI-KIDS Visionary Society, a group of dedicated supporters who believe in looking ahead toward a sustainable future for our organization. Since my introduction to EQUI-KIDS, I have been inspired by not only the work being done in the current moment, but also in the potential that exists as we continue to change even more lives. Your commitment to EQUI-KIDS will help us to expand our reach and build our future.

The EQUI-KIDS Visionary Society will ensure a strong, and successful future through continual support in the growth of these programs. By pledging a recurring annual contribution, you join us in forward thinking, believing in the power of the connection between our participants and our equine team members. The connections that spark first words and first steps, that heal invisible wounds and breakdown physical barriers. The power to create an environment of equal ability, where every participant in the saddle is more alike than different.

The Visionary Society sees these connections and promises that the individual's whose lives have been impacted at EQUI-KIDS thus far are just the beginning.

With gratitude,

James Arnhold,  
EQUI-KIDS Past Board Chair, Visionary Society Founder

# ABOUT KIDS

Since 1989, EQUI-KIDS has been providing life-changing, equine-assisted services to a large and diverse community of children and adults with special needs, active-duty service members, Veterans, and first responders in Virginia Beach and Hampton Roads. EQUI-KIDS serves an average of 80 to 100 participants each week and all services are provided by credentialed providers. Our services include therapeutic riding, therapeutic horsemanship, equine-assisted learning, equine-assisted psychotherapy with a licensed mental health provider (mental health services for individuals and groups), Speech Therapy provided by a licensed speech-language pathologist, Occupational Therapy provided by a licensed occupational therapist, EQUI-VETS Military Service Program (serving active-duty service members and Veterans), EQUI-HEROES First Responder Program, job coaching, school partnership programs, summer inclusion camps, and educational workshops.

The EQUI-KIDS farm is a place where challenges have been overcome, where freedom and independence are gained. It is a place where individuals come to bond with each other and with our amazing herd of therapy horses. It is a safe haven absent of judgement where our participants are empowered to reach their goals. EQUI-KIDS is a place that takes a community of dedicated and passionate people working together to move the mission forward. Thank you for believing in EQUI-KIDS and for joining us, where together we are changing lives, one stride at a time.
